FALL 2025

SCOTT & LIANE GRANT, Career Church Planters in Quebec City
— North America's greatest mission opportunity

15 YEARS OF PURPOSE INSTITUTE IN QUEBEC!

In 2010, we launched Purpose Institute in the district of Quebec. PI has facilitated training for laborers, but it has **also served to connect all of the ministries in the province together**. The unity provided through our combined efforts has forged in us the invaluable truth that none of us is the body of Christ by ourselves.

We began with 12 English students and 8 French students. As of our June 2025 graduation, there have been **106 Advanced graduates** and 91 others who have received their Foundational Diploma. The **number of ministers in Quebec has increased from 15 to over 60 since we started PI** and since The King's Translators made the ministerial reading available in French. About 35 of our current ministers have attended PI and many have a spouse who attended.

Also, **15 students or graduates lead a daughter church or preaching point**. Almost all are involved in some kind of ministry, including preaching, teaching, music, Sunday School, Home Bible studies, etc. As of Fall 2025, we will have 4 campuses in our district. We are looking forward to training more workers and seeing more churches planted!
