 - North America's greatest mission opportunity!**

SPREADING THE WORD

We are so grateful for those who supported our ministry trip to French West Africa! Our hearts were stirred with a burden for our missionaries and national workers in Gabon, Ivory Coast, Ghana and Togo.

It was a privilege to minister with Missionaries Nick and Pamela Sisco, West Africa Area Co-ordinators, and their colleagues throughout the region. It was also a great honor to spend some time with our friends Randy and Carolyn Adams who serve as Africa Regional Directors. Their heart for missions is as big as the continent they represent!

Our national hosts were incredibly kind! Thank you, Pastor and Sister Désiré Rako-tondratsimba in Gabon, and Pastor and Sister Antoine Affa in the Ivory Coast, for your kind welcome and for taking such good care of us.

Because of your generous giving, we were able to put French Apostolic resources into the hands of leaders from over 20 French African countries! We took printed books, as well as several hundred USB keys containing over 100 resources relating to ministry, doctrine, Bible studies, youth, ladies, Sunday School material, and so much more.

This has been a lifelong dream of Liane and her translation team, The King's Translators. Thank you so much for making it become a reality! Now that we are back home, the team is hard at work again.
