SPRING 2025

**SCOTT & LIANE GRANT, Career Church Planters in Quebec City
– North America’s greatest mission opportunity!**

NEW LOCATION

Lelyah receiving her baptismal certificate

We are grateful that we were able to build a chapel in our house for services, shortly after we moved to Quebec City. However, after holding services in the chapel for two and a half years, we needed a larger space. Thank you for praying with us about this!

We were able to find a Seventh Day Adventist church building available for rent and we have been holding our Sunday services there since November. We are now finalizing a two-year rental contract. It is such a blessing to have more room for visitors and for fellowship activities.

Praying for our young people

Nonprofit Translation Solutions is launching its Signature Series, a set of basic apostolic Bible studies and discipleship materials. Thank you to Aaron Soto, Ryan Franklin and Jacob Jones for giving us permission to translate these materials into multiple languages. We are publishing them first in French, then will work on other languages. We will collaborate with Global Tracts to make these materials available.
